Dear Sir,

At the most recent Board meeting of EMPA, the European Maritime Pilots' Association, questions were raised on the current status of EUGIN.

Since 2005, EUGIN has had its Registered Office at the same address as EMPA in Antwerp, Belgium. This arrangement dates from the time that Capt. Rein van Gooswilligen was chairman of EUGIN.

We understand that Capt. Van Gooswilligen no longer is Chairman of EUGIN and noticed on your website that the contact address is in Poland.

The annual Tax Declaration Form for EUGIN is still being sent to EMPA's address – until now we have forwarded these documents and other correspondence for EUGIN to the secretariat of NLC, formerly presided by Capt. van Gooswilligen.

There is also the matter of a rental agreement between EMPA and EUGIN dating from 2005 – so far no rent has ever been paid and arrears accrued to 3,000 EUR.

You will understand that a clarification and update on the situation would be much appreciated. You can always contact us by e-mail at office@empa-pilots.eu.

Looking forward to your reply,

Sincerely Yours,

Chris LEFEVERE
EMPA SECRETARY GENERAL
